-

An Amendment needs to be made. Nancy motioned to put the new rules in the amendment.

Rod to contact Carters Cresting for signs.

Both signs have been knocked down from the wind and rain storm. **Tabled until February meeting.**

On behalf of the members of the Art Gallery, Charlie thanked the Community Association for renewing the lease.

On behalf of Melanie, Charlie thanked the Community Association for the use of the hall for line dancing and for the fitness classes. It was really appreciated.

Nancy and Rod gave thanks to Charlie and Melanie for using the facilities.

4.2 Tender Process

Rod has been contacted by a local community member asking about tender process regarding snow removal at the Community Center. Currently, David Greeno is and has been doing the snow removal. Nancy brought to our attention that the company that does the snow removal is required to have additional insurance due to the mail boxes. Nancy also confirmed that David Greeno has this additional insurance with his company.

Tabled until December meeting

4.3 Kid's Christmas Party

Ali contacted Rod and confirmed that she will be organizing the Christmas Party. She has also confirmed the party will be held on Sunday, December 9th. She will require approximately \$1,000. **Rod to contact Ali for website details.**

Ali indicated that she was willing to do the children's Christmas party henceforth, and would give us at least a years notice, if she wanted to stop. Thank you Ali for taking this on. Greatly appreciated.

4.4 Solar Panels

Nancy found an article in the Amherst Paper explaining that the Amherst Stadium will be participating in the Solar Electricity for Community Buildings Program. It was also stated in the article that this was for non-profit organizations. **Blair to look into this further.**

Nancy has confirmed that she is getting set up with online banking. There will be no more paper statements once this is done, which will save \$4.00/month. The E transfers will not cost the Community Center any money to have this accessible on the website to make it easier for people to send money for rentals and memberships. **Rod will find out more information regarding switching banks and what it cost for the person sending the E-transfer.**
