Greetings all past & present TCCA members,

This email is being sent out to TCCA members from the past four years.
First of all we hope everyone is doing fine and staying safe. It has been a year.

At the latest meeting of the Tidnish Crossroads Community Association the board agreed to start sending out a monthly email blast to all its current members. This is to keep local and distant members updated on happenings in the area during the summer and winter months.

As some of you may know the TCCA started a new website in September of 2018 [mytidnish.ca](http://www.mytidnish.ca)
It has many pages dedicated to the community including News / Information, Membership, Documents, Board Minutes, Business Directories, History, Tides & Weather and Other Links.

We also have a very popular Facebook group <https://www.facebook.com/groups/TCCA2011/>
which also keeps you up-to-date daily on happenings in the area.

Due to COVID, membership is very low this year. We now have two ways to pay your dues.
Print off the application form found on the website, fill it out and mail a cheque to the TCCA. There is also a new online form you can use if you have no access to a printer.. Fill it out and click on SUBMIT at the bottom. Then make out a cheque to TCCA and mail it.

NOTICE: To increase membership, if you know someone who has never been a TCCA member, let them know that as a new member their first year will be paid for by the TCCA.

The **NEW** option is e-Transfer (coming soon). No more cheques and mailing them out. Contact your bank about setting up your own e-Transfer. The link to this form can be found on the website under Membership or [CLICK HERE](#)

During this time with COVID and everything being shut down, bills still need to be paid at the Community Centre so this is a reminder to renew your dues and help support your community. Membership runs from May to May so some may want to wait till then to renew. Donations to the TCCA can be taken at any time and there will be a spot on the membership form in case you would like to give "in remembrance of" for a loved one. If there is enough interest in this type of donation, a page will be set up to show the person giving the donation and who it is given for.

The monthly update that will be sent out will give you a link to the previous monthly minutes approved by the board and any other news and information of importance including fundraisers.

NOTICE: Check the heading on your email and let us know if we have any spelling errors or if you would rather use another email address.

We know that some of you may not even have a residence in the Tidnish area anymore, so if you do [NOT](#) want to be on this email list please send us an email and you will be taken off the list.

Hopefully you will continue to support the TCCA and your community. If you have any comments, suggestions or questions please use the [Contact Form](#) on the website.

The first Email blast for members will come following the board meeting on **Tuesday Jan.6th, 2021**

Everyone stay safe, wear a mask and obey the rules. We are beginning to see a light at the end of this long and dark tunnel.

Everyone have a *Merry Christmas* and a *Happy New Year*
